

HERE SERIES

The "HERE" series connects us to our place in the world: the vineyard. Each wine in this collection comes from a specific plot and a single variety. These wines represent values that reflect the deep bond between wine, land, and family.

LABRIT ROSADO

2024

Labrit is the name of the Court Wall in Pamplona. The sun shines through the windows of the pelota court. In the meantime, in our organic vineyard, 200 clones of ancestral Garnacha grapes from Navarra live in a community by the same sun. In a few months, a rosé will be made and it will dance in Labrit.

Winemaking

This rosé comes from a selection of ancient grafted Garnacha vines. Over 200 clones of Garnacha coexist in the vineyard bringing great complexity and distinction to the wine. The Garnacha grapes are pressed in the winery producing a pale must that, after fermentation, transforms into a subtle and delicate wine. 10% of this wine has fermented in new 225-liter French oak barrels. After the blend is made, Labrit Rosado remains on its lees until bottling.

Tasting

Beautiful pale pink color with aromas of wild red berries and white flowers. It undoubtedly smells like the early days of spring. Fresh, subtle, and elegant, its persistence and saline finish make it special and unforgettable.

Pairing

Labrit Rosado pairs beautifully with appetizers, rice dishes, pasta, white meats, and garden vegetables.

Shall I open it or save it?

This rosé can be enjoyed young, but due to its persistence, it has a positive aging potential. If you're not in a hurry, you can keep a bottle for 2 to 4 years.

Available in box of 6 bottles of 75cl.
