

HERE SERIES

The "HERE" series connects us to our place in the world: the vineyard. Each wine in this collection comes from a specific plot and a single variety. These wines represent values that reflect the deep bond between wine, land, and family.

MOSCATEL VENDIMIA TARDÍA 2024

This wine has evolved with time, like a dance that requires constant movement. It represents a way to move forward and face the unknown. One of the strengths of our Moscatel Late Harvest is its ability to evolve without losing its essence. This is precisely something that defines our family.

Winemaking

The key to this wine lies in the timing of the harvest. When our Muscat grapes overripen on the vine, their acidity, aromas, flavors, and sugars become concentrated. We carry out two late harvests: the first in September with grapes beginning to raisin and a second in November with fully raisined grapes. The highly concentrated must ferments resulting in a naturally sweet wine.

Tasting

Bright golden color. The nose reveals a diverse aromatic profile of raisins, tropical fruits, white flowers and honey. On the palate, it is silky, balanced, and sweet without being cloying. Its freshness and long, lingering finish leave an unforgettable impression.

Pairing

Perfect with fruit-based desserts, but also pairs well with foie gras, strong aged cheeses and creamy blue cheeses. You can also enjoy it on its own because a glass of Muscat is a dessert in itself.

Shall I open or save it?

A sweet wine with outstanding aging potential for over 10 years. While young, it shows tropical fruit aromas. Over time, it will develop more toasted, honeyed, and concentrated notes.

Available in box of 6 bottles of 50cl.
