

## FOREVER SERIES

The "FOREVER" series represents the legacy, those wines that transcend time and have built the prestige of Ochoa. Generations of love and dedication to the vineyard, capable of stopping time.

### OCHOA ALMA DE FINCA SECADERO

2016

This wine is a tribute to our mother, Mariví Alemán. It originates from the deep roots of the vines that penetrate an incredible layer of stony soil on our Secadero vineyard in search of water and nutrients. These roots remind us of our mother's personality, the true soul of Ochoa for so many years.

Finca Secadero

Grape variety:  
100% Tempranillo.

#### Winemaking and ageing

Selection of grapes from the Secadero vineyard in Traibuenas, a very chalky and stony soil. It ferments with native yeasts and ages in French oak barrels for 12 months, then is aged in the bottle until we consider it ready to offer you the best of itself. Limited edition of 1,200 bottles.

#### Tasting

Beautiful deep dark color, medium-high layer. Aromas of red fruits like cherries integrated with toasted wood notes. Spices and cocoa aromas. On the palate, the tannins are smooth and long. Elegant and easy to drink. Great aging potential.

#### Pairing

This is a wine to celebrate your birthday, anniversary, or Christmas. We recommend pairing it with dishes of pork, beef, lamb, and aged cheeses.

#### Shall I open it or save it?

It's a wine with long aging potential, over 15 years. However, you don't have to wait that long to enjoy such a special wine. In magnum format, we do recommend waiting a bit longer since the evolution is slower.

Available in box of 6 bottles of 75cl and bottles of 150cl.
